Checking your application

On the 'My Application' page, check that you have completed all fields marked with a **red asterix**.

The screenshot shows the IELTS application interface. At the top, there's a progress bar with five steps: 1. Select a Test Date, 2. Candidate Details, 3. Application Details (highlighted in blue), 4. Recognising Organisations, and 5. Booking Summary. A timer indicates 21m 13s left to complete booking. Below the progress bar, the 'Test Session Details' section shows '20/08/2016 - Ara Institute of Canterbury IELTS - Academic' with a 'Reselect' button. The 'My Application' section contains three required fields, each marked with a red asterisk: 'Which country are you applying to/intending to go to?' (dropdown menu showing 'New Zealand'), 'Why are you taking the test?' (dropdown menu showing 'Personal reasons'), and 'Have you previously taken IELTS (either Academic or General Training) before?' (radio buttons for 'Yes' and 'No').

Uploading your ID documents

In the Identification Document section, upload the scan, or photo, of your passport page(s).

If this information is spread across more than one page, please ensure all pages are uploaded in one pdf/image (not more than 5.0 MB file size) as you are unable to upload multiple items. Once your passport has been uploaded successfully, select '**continue**'.

Requesting your test results be sent to recognising organisations

If you would like the test centre to send copies of your test results to a professional organisation (eg universities, Immigration or professional registration organisations) fill in the relevant details on the Recognising Organisations page. Please note, you cannot include migration agents or request personal copies. Test results will be sent to the organisation on the day results are released. Once completed select '**continue**'.

The screenshot shows the 'Recognising Organisations' step of the IELTS application. The progress bar highlights step 4. The 'Test Session Details' section is identical to the previous screenshot. Below it, the '[Optional] Send my results' section provides instructions: 'You can request for copies of your results to be sent directly to academic institutions / government agencies / professional bodies / employers. Results may be sent either electronically or by post to these organisations. The centre may charge a postal fee for results sent internationally or by courier. The Test Report Form will not be sent to migration or education agents. Please note that organisations you have listed below may access your results before you have received them by mail. Note: You may add up to 5 recognising organisations for this application.' At the bottom, there is a 'Recognising Organisation' table with an 'Add' button, and two buttons: 'Cancel booking' and 'Continue'.

Completing your application

On the Booking Summary page, ensure your details are the same as those on your passport then click **'Continue'**.
